With reference to your letter No 9614 dated 18-2-1949 calling for a report on the objections raised by the residents in the joint petition presented to the Hon'ble Minister for Health in Mysore, Bangalore, on the above subject, I have the honour to state that these objections have been waived in the interest of the proposed acquisition, the purpose of which is to put up a model cattle shed in this locality in which a considerable number of the residents do business in milk and other dairy produce, and the cattle are kept in most insanitary conditions affecting the health of the neighbourhood

We, the undersigned residents of Cubbonpet comprising IV Division, beg to bring the following to your kind notice and favourable orders -

We are very much shocked and pained to hear that the premises with its vacant site bearing Door No 62 situate at Cubbonpet Main Road is proposed to be acquired by the City Municipality for putting up a cow shed

Construction of a cow shed and housing cows therein will not ~~xxxx~~ ensure either to public benefit or the public health On the other hand by deposit of waste matters of the cattle epidemic germs will be bread and it will be hot bed for the out-break of epidemic such as plague, cholera typhoid etc , and such other diseases. If the Municipality were to contemplate the construction of any such cow shed, it must be outside the limits of dwelling ~~xxxx~~ locality We are yet to see whether the Municipality has thought of constructing such insanitary and unhealthy building amidst the residential quarters of the citizens If it is to be thought of ~~xxx~~ ~~xxxxxxxxxx~~. it must be out side the perview of the dwelling houses

As you are aware, Sir, Cubbonpet is already thickly populated and over crowded area out of all the nine divisions and it is notoriously known for prevalence of Tuberculosis owing to the undesirable density of population.
